

Lecture Series on Surface Forces 15

Institute of Multidisciplinary Research for Advanced Materials (IMRAM)
Tohoku University,

Date : December 11, 2010

Place: Seminar Room, third floor, Advanced Materials Research,
No. 2 Building, Katahira, Tohoku University

Program

Date : 14:00-15:00

Title : "Creation of biointerface by combination of atmospheric plasma
treatment and reactive polymer coating"

Speaker: Saha Swapan Kumar(Postdoc Researcher)

(National Institute of Materials Science (NIMS))

連絡先 : Kazue Kurihara, WPI

TEL : 022-217-5673

e-mail : kurihara@tagen.tohoku.ac.jp
