

Lecture Series on Surface Forces 28

WPI Advanced Institute for Materials Research (WPI-AIMR)

Institute of Multidisciplinary Research for Advanced Materials (IMRAM)

Tohoku University

Date : October 21, 2015

*Place: Main conference room, Second floor,
WPI-AIMR Main Building, Katahira campus,
Tohoku University*

Program

13:30-14:30

*Speaker: Prof. Dr. Werner Steffen
(MPI for Polymer Research, Mainz, Germany)*

Title: "REDLS and WEDLS as new approaches to dynamic light scattering with evanescent waves at solid-liquid interfaces"

*Contact : Kazue Kurihara, WPI
TEL : 022-217-6153
e-mail : kurihara@tagen.tohoku.ac.jp*
